Alternatively, select two colours from the main colour palette to create a dual colour Tailored Cover with co-ordinating stitching for the Rolls-Royce monograms front and rear.

Irrespective of whether a single or dual colour design is selected, the level of personalisation can be taken to even higher levels with personalised embroidery skilfully stitched in a carefully selected location on each side of the Tailored Cover. This can potentially include your initials, your name, the Rolls-Royce monogram or an image or crest of your choice.

A vast range of Rolls-Royce Tailored Interior Car Cover options are available, providing complete personalisation. From either single colour with contrast piping to dual colours and bespoke embroidered initials, every cover is handmade to order and is as individual as the car it is protecting.

The high quality, fully breathable fabric has a soft fleecy inner which provides maximum protection for the surface of the vehicle. It offers a high level of defence against fine dust and damp, as well as potential knocks and scrapes, keeping your vehicle in pristine condition all year round.

The Phantom Drophead Coupé

This model has a separate roof liner in addition to the car cover itself. This ensures ease of application, as there will be virtually no friction when the car cover is being fitted to the vehicle and it will also ensure that the fabric of the roof remains pristine.
